Ministry of Health, Labour, and Welfare Situation Assessment/Management System for COVID-19 Infections (HER-SYS) 'My HER-SYS' User Guide Request for Passport Number Entry

If your diagnosis date is within 28 days of your entry into Japan, you are required to enter your passport number on My HER-SYS. Please follow the steps below to enter your passport number.

※If your passport number has been already entered by the public health center, you do not need to enter it.

※You can only enter your passport number when you log-in to the My HER-SYS homepage for the first time.

Step 1

Click 'enter your passport number.'

The screenshot shows the My HER-SYS homepage. At the bottom, a dark green button labeled 'Enter your passport number' is highlighted with a red rectangular box. Above it, a message reads: 'If your diagnosis date is within 28 days of your entry into Japan, please enter your passport number.' Other elements include a 'Sign up' button, 'Last Report Date' and 'Last reported body temperature' fields, and a 'Confirm history' button.

Step 2

Enter your passport number.

The screenshot shows a modal dialog box titled 'Passport number' overlaid on the homepage. The dialog contains the instruction: 'Enter your passport number using no more than 9 digits in single-byte capital letters and numbers.' Below the text is a white input field with a red border, a 'Confirm' button, and a 'Cancel' button.

Step 3

If the message 'enter your passport number' disappears, registration is complete.

The screenshot shows the My HER-SYS homepage after the registration process. The area where the 'Enter your passport number' button was previously located is now empty, highlighted with a red rectangular box. The rest of the page layout remains the same.

**If your passport number changes due to expiration or loss,
please contact a public health center.**
